Re: Our File 582-534 Colombia, PM 478

Dear Bill:

We have received a letter from our agent in Colombia in connection with the above-identified case in which he recommends that the claims be modified to set forth a method for manufacturing the product rather than the products per se, the latter not being allowable under Colombian practice. We assume you will approve of this change, but we would like you to confirm it to us not later than October 1, 1972.

Very truly yours,

George J. Brandt, Jr.
